1. INTRODUCTION

This policy sets out our commitment to the health, safety and wellbeing of those working for Colchester Borough Council and anyone else who interacts with the services that we provide.

As an employer, we are aware of our general duties under the Health and Safety at Work etc. Act 1974 and our specific duties under the Management of Health and Safety at Work Regulations 1999. Where additional legislation relates to the activities that we are carrying out we will also ensure that our duties are fulfilled and our employees and others who may be affected can work safely without risk to their safety or health.

We will monitor and review this policy and associated documentation as necessary, at least every three years, unless any significant changes occur in the meantime.

“Colchester Borough Council is committed to the health, safety and wellbeing of its employees, customers and anyone who interacts with our services. We strive to create an environment in which our employees feel that their health, safety and wellbeing is integral to the organisation. We encourage everyone to be part of this positive culture so that we can continue to improve our standards throughout the organisation.”

2. STATEMENT

Colchester Borough Council is fully committed to complying with its statutory duties under the Health and Safety at Work etc. Act 1974 and associated legislation. The Council values the health, safety and wellbeing of its employees and will take all reasonably practicable measures to ensure a safe and healthy working environment for all employees, contractors, the public and others that may be affected by its activities.

The Council recognises that good health, safety, and wellbeing is integral to our organisational and business performance and our service delivery decisions will always consider the impact on health, safety, and wellbeing. This will help to deliver the Council's philosophy of a positive safety culture.

The Council will maintain an appropriate health and safety management system and organisation structure to support its statutory duties. We will:

- Assess risks and put adequate control measures in place
- Consult with employees on matters affecting their health and safety
- Provide and maintain a safe place of work with safe plant, equipment and personal protective equipment
- Ensure safe use, handling and storage of substances
- Provide information, instruction, training and supervision for employees to ensure that they are competent to carry out their tasks safely
- Prevent incidents, injuries and cases of work-related ill-health
- Maintain safe and healthy working conditions

All employees are required to follow this health and safety policy at all times and adhere to their own statutory requirements. We encourage any feedback on health and safety in the workplace and will actively seek to rectify any areas of concern.

All contractors and others working for Colchester Borough Council or providing our services are required to maintain health and safety standards in accordance with this health and safety policy, or their own where applicable.

The effectiveness of this policy will be monitored and reviewed as necessary, at least every three years or when circumstances otherwise dictate.

Councillor David King
Leader of the Council

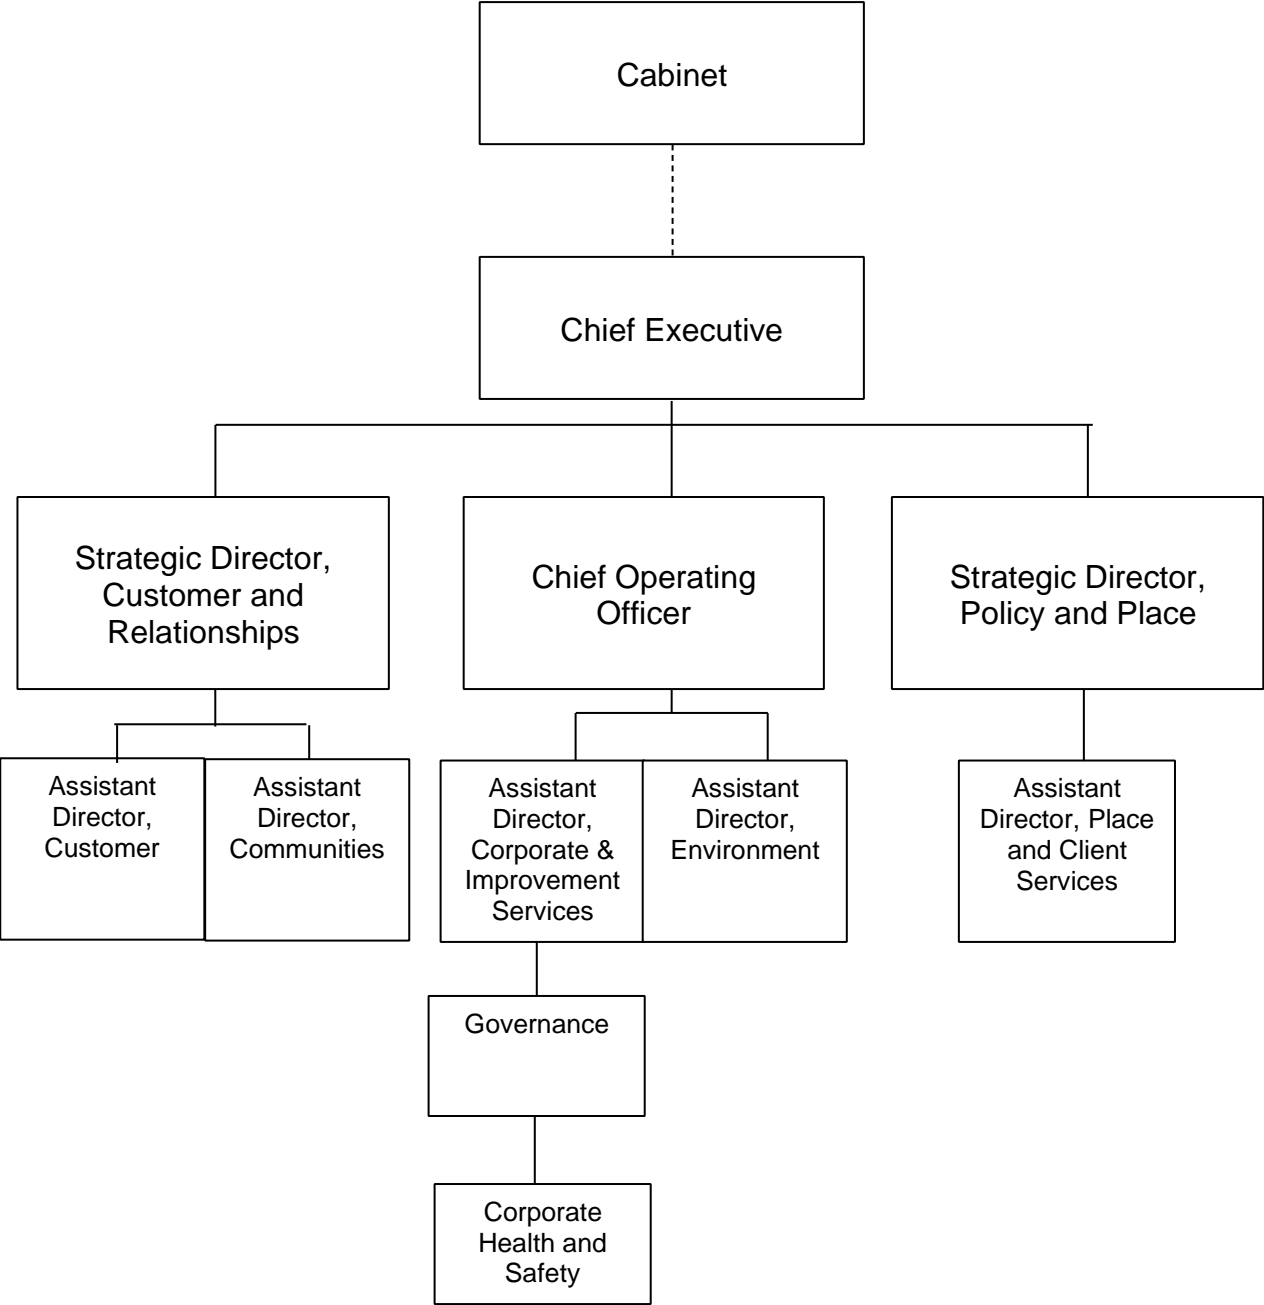

Pamela Donnelly
Chief Executive

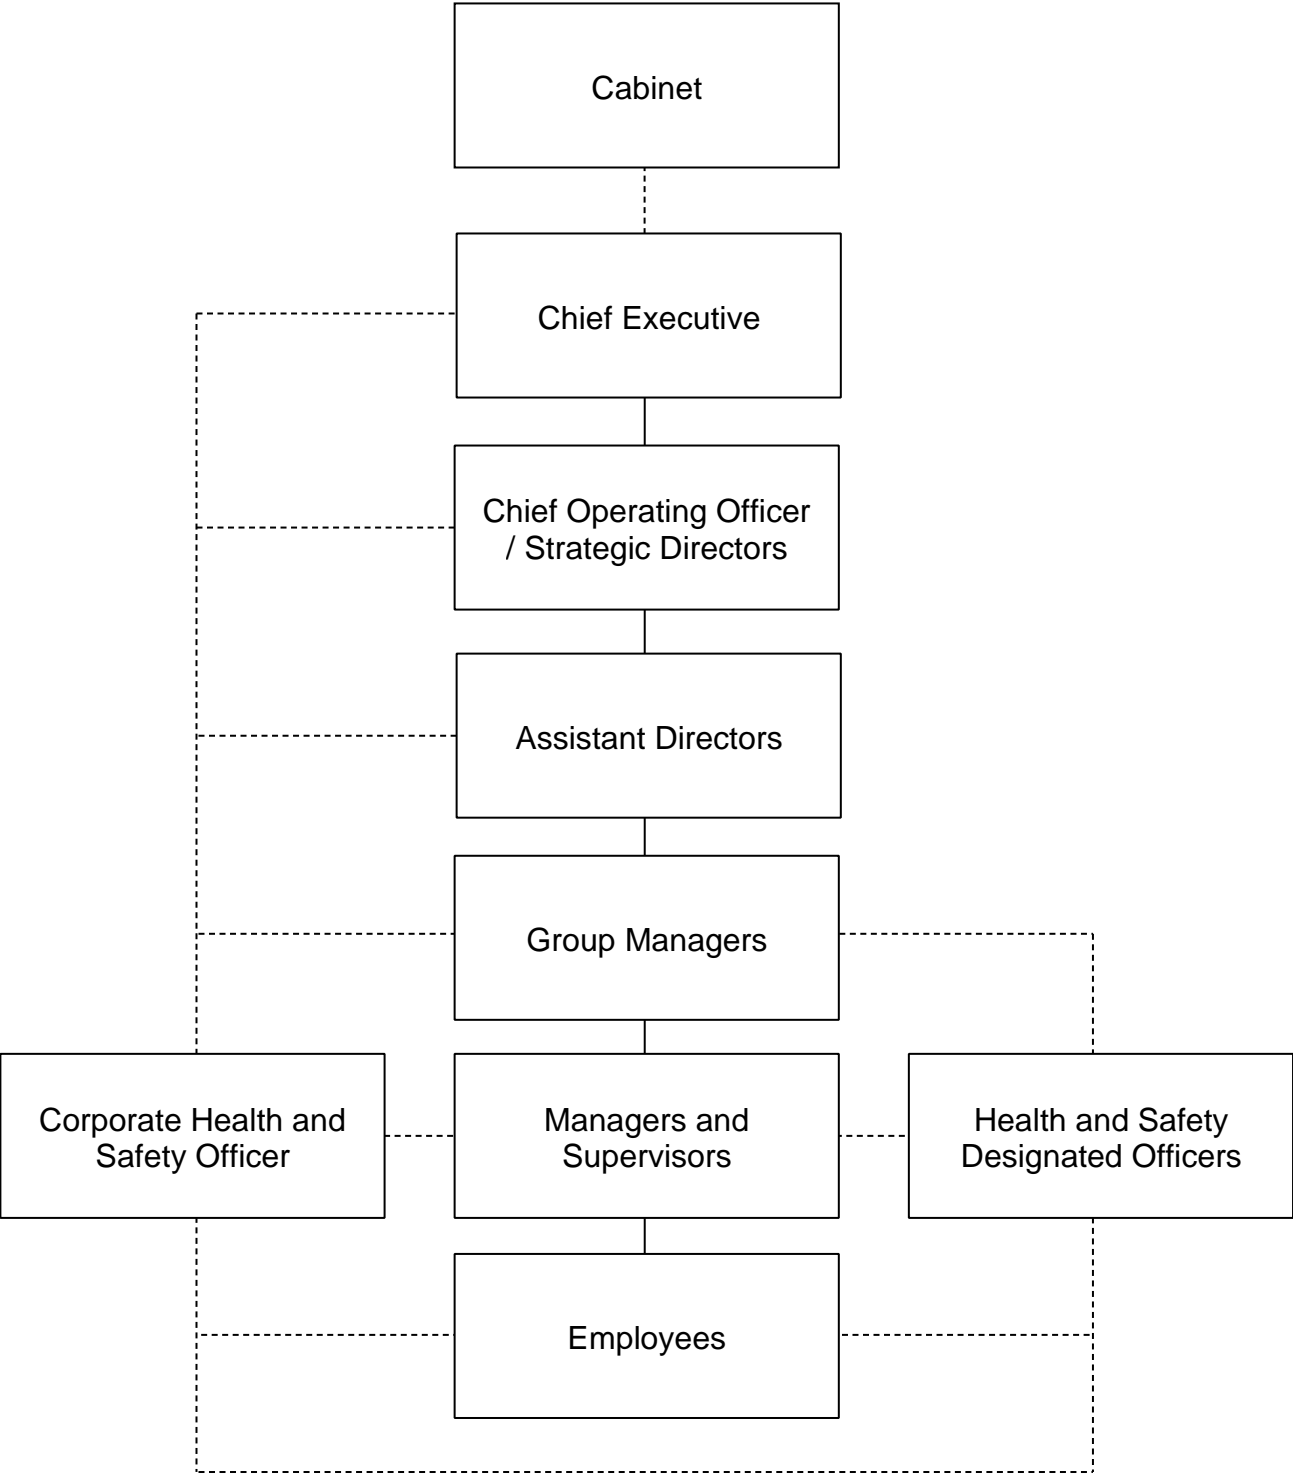

September 2022

3. ORGANISATION

3.1 Organisation Structure

3.2 Organisation Health and Safety Responsibilities

4. RESPONSIBILITIES

4.0 Leader of the Council and Cabinet

The Leader of the Council has the responsibility for the management and monitoring of health and safety provision across the whole of the Council's undertakings. Cabinet are jointly and severally the primary duty holders for health and safety across the Council's undertakings.

1. Ensure that adequate financial and other resources are provided, so that the health and safety policy can achieve its aims.
2. Give due regard to requests from the Chief Executive for financial and other resources to meet statutory duties and other obligations regarding health and safety management.
3. Ensure that the Chief Executive has in place an effective health and safety policy and management system, which will ensure that all health and safety hazards and risks within the Council are adequately controlled.
4. Require the Chief Executive to be able to confirm, during the reporting period; health and safety performance, any major incidents or failure in the health and safety management system, accident history and key improvements to health and safety that have been implemented.

4.1 Chief Executive

1. Overall responsibility for health and safety throughout the Council.
2. Support other duty holders to fulfil their health and safety responsibilities.
3. Preparation of an effective health and safety policy statement, organisation for carrying out that policy, measures for ensuring that it is implemented and communicated to all employees.
4. Ensure that this health and safety policy is reviewed, at least every three years or when circumstances otherwise dictate.
5. Ensure that health and safety is given an appropriately high priority and is not compromised, so putting employees or other persons at risk to their health and safety.
6. Ensure that the Executive Directors are aware of the health and safety policy and understand their responsibilities for effective health and safety management.
7. Ensure that the Executive Directors implement the policy through effective local arrangements and suitable monitoring arrangements.
8. Ensure that adequate financial and other resources are available to meet statutory duties and requirements of this health and safety policy.
9. Ensure that the Council has appointed a competent Corporate Health and Safety Officer for the purpose of advising on meeting its statutory duties and for advising and monitoring on health and safety.
10. Fulfil the responsibilities of the Executive Directors if services are under their direct management.
11. Set a personal example at all times with respect to health and safety.

4.2 Chief Operating Officer (with Responsibility for Health and Safety)

1. Support other duty holders to fulfil their health and safety responsibilities.
2. Accountable to the Chief Executive for health and safety within all Services.
3. Ensure that their Assistant Directors are aware of the health and safety policy and understand their responsibilities for effective health and safety management.
4. Provide leadership on health and safety and support and promote continuous improvement programmes.
5. Lead the provision and function of the health and safety committee.
6. Monitor health and safety performance at Executive Management Team through quarterly updates, an annual review and ensuring health and safety is an agenda item.
7. Ensure that there is sufficient financial or other resource for effective health and safety management and identify any short falls in resources that may negatively impact health and safety.
8. Provide support to the Corporate Health and Safety Officer and Health and Safety Designated Officers.
9. Ensure that if any serious health and safety occurrence or failure in health and safety occurs, the relevant person/s are held accountable for any deficiency in fulfilling their responsibilities under the health and safety policy and will be required to demonstrate to the Executive Management Team, remedial actions have been implemented to prevent a similar reoccurrence.
10. Set a personal example at all times with respect to health and safety.

4.3 Strategic Directors

1. Support other duty holders to fulfil their health and safety responsibilities.
2. Accountable to the Chief Executive for health and safety within their Services.
3. Ensure that their Assistant Directors are aware of the health and safety policy and understand their responsibilities for effective health and safety management.
4. Support and promote health and safety continuous improvement programmes.
5. Support the provision and function of the health and safety committee.
6. Monitor health and safety performance at Executive Management Team through quarterly updates, an annual review and ensuring health and safety is an agenda item.
7. Ensure that there is sufficient financial or other resource for effective health and safety management and identify any short falls in resources that may impact health and safety.
8. Ensure that if any serious health and safety occurrence or failure in health and safety occurs, the relevant person/s are held accountable for any deficiency in fulfilling their responsibilities under the health and safety policy and will be required to demonstrate to the Executive Management Team, remedial actions have been implemented to prevent a similar reoccurrence.
9. Set a personal example at all times with respect to health and safety.

4.4 Assistant Directors

1. Support other duty holders to fulfil their health and safety responsibilities.
2. Accountable to the Chief Operating Officer or Strategic Director for health and safety within their Services.
3. Ensure that their Group Managers are aware of the health and safety policy and understand their responsibilities for effective health and safety management.
4. Support the development, modification and delivery of a health and safety management system and ensure local process compliance.
5. Support and promote health and safety continuous improvement programmes.
6. Monitor and review health and safety processes and performance in their Services, and include appropriate health and safety actions within relevant strategies and business plans.
7. Ensure that there is sufficient financial or other resource for effective health and safety management and identify any short falls in resources that may impact health and safety.
8. Identify health and safety training needs for their Service and ensure this follows the health and safety training matrix and is in line with the Council and legislative requirements.
9. Ensure that their Group Managers have suitable and sufficient risk assessments in place to eliminate or control and reduce risks to acceptable levels including those required under relevant statutory provisions and ensure these are supported by method statements where required.
10. Ensure that for any premises under their direct control and management, adequate arrangements are in place for fire safety management and supported by a suitable and sufficient fire risk assessment completed by a competent person.
11. Ensure there is a process to employ competent contractors with the correct skills, knowledge, attitude, training and experience.
12. Ensure that all materials, plant, vehicles, equipment and personal protective equipment procured for use comply with legislation, commercial and any other specific standards which ensure that it is safe and without risk to health when used correctly.
13. Support the carrying out of regular health and safety audits and inspections and ensure the outcomes of these are completed within the agreed timescales.
14. Ensure that if any serious health and safety occurrence or failure in health and safety occurs, the relevant person/s are held accountable for any deficiency in fulfilling their responsibilities under the health and safety policy and will be required

to demonstrate to the Executive Management Team, remedial actions have been implemented to prevent a similar reoccurrence.

15. Set a personal example at all times with respect to health and safety.

4.5 Group Managers

1. Support other duty holders to fulfil their health and safety responsibilities.
2. Accountable to the Assistant Directors for health and safety within their Services.
3. Ensure that their Managers and Supervisors are aware of the health and safety policy and understand their responsibilities for effective health and safety management.
4. Ensure compliance with the local health and safety management system by assigning levels of responsibility to relevant competent persons as required.
5. Support and promote health and safety continuous improvement programmes.
6. Monitor and review health and safety processes and performance in their areas of remit and ensure regular health and safety audits and inspections are carried out and outcomes of these are completed within the agreed timescales.
7. Ensure suitable and sufficient risk assessments are in place to eliminate or control and reduce risks to acceptable levels including those required under relevant statutory provisions and ensure these are supported by method statements where required.
8. Ensure that all accidents, incidents and near misses that are work-related or happen on council premises are reported using the online incident report form as soon as possible and no more than 5 days after the accident or incident and an appropriate investigation takes place promptly with remedial actions implemented to prevent a similar occurrence.
9. Ensure that all employees within their group have appropriate information, instruction and training that follows the health and safety training matrix and is in line with the Council and legislative requirements.
10. Ensure that competent contractors with the correct skills, knowledge, attitude, training and experience are employed.
11. Set a personal example at all times with respect to health and safety.

The following may also apply, depending on their specific responsibilities:

12. Ensure that for any premises under their direct control and management, adequate arrangements are in place for fire safety management and supported by a suitable and sufficient fire risk assessment completed by a competent person.
13. Ensure that workplace welfare, housekeeping and general safety requirements are effectively managed.
14. Ensure that all materials, plant, vehicles, equipment and personal protective equipment procured for use comply with legislation, commercial and any other specific standards which ensure that it is safe and without risk to health when used correctly.
15. Ensure that all plant, vehicles and equipment is adequately maintained and subjected to statutory examinations where appropriate and relevant records are kept.
16. Ensure that all employees within their group are provided with the correct level of personal protective equipment as identified by risk assessments and that it is maintained or replaced when necessary.
17. Ensure that arrangements are implemented in respect to the requirements of the Construction (Design and Management) Regulations 2015.
18. Ensure health and safety is considered during tender of new contracts and contractors employed are competent with suitable health and safety arrangements in place. Monitor and review contractors' health and safety processes and performance.

4.6 Managers and Supervisors

1. Support other duty holders to fulfil their health and safety responsibilities.
2. Accountable to their Group Manager for health and safety within their Services.
3. Read, understand and implement the requirements of the health and safety policy and health and safety management system.
4. Support and promote health and safety continuous improvement programmes and regularly communicate with employees on health and safety issues.
5. Monitor and review health and safety processes and performance in their areas, teams and premises and ensure regular health and safety audits and inspections are carried out and outcomes of these are completed within the agreed timescales.
6. Ensure that the requirements of risk assessments and method statements are implemented, in place during work and communicated to all employees within their team.
7. Ensure that all employees within their group have appropriate information, instruction and training that follows the health and safety training matrix and is in line with Council and legislative requirements.
8. Not to put any person at an unacceptable risk during the course of work and stop work where any new hazards are identified until the risk has been assessed and controlled and if required reduced to an acceptable level.
9. Ensure that all plant, vehicles and equipment are adequately maintained so it is safe for use and any defective plant, vehicles and equipment is withdrawn from use immediately.
10. Ensure that all employees within their team have the correct level of personal protective equipment as identified by risk assessments and that it is maintained or replaced when necessary.
11. Receive, review and remedy any concerns in respect to health and safety. When concerns cannot be resolved at a local level, they shall be referred to the Group Manager and if still unresolved to the Corporate Health and Safety Officer.

4.7 Corporate Health and Safety Officer

1. Support other duty holders to fulfil their health and safety responsibilities.
2. Review, develop and communicate the health and safety policy and management system in conjunction with other responsible duty holders.
3. Provide competent advice in relation to all health and safety matters and ensure duty holders are kept up-to-date on all relevant health and safety issues.
4. Ensure own competence is maintained through continual professional development.
5. Identify key health and safety training needs and advise on methods of implementation and delivery.
6. Provide a pro-active resource for the development and delivery of health and safety inspections and audits on an agreed programme basis.
7. Provide a reactive resource for the reporting, recording and investigating of accidents and incidents and provide statistical information to the health and safety committee.
8. Provide corporate safety initiatives and ensure there is a continual improvement programme for effective health and safety management and advise on the implementation of programmes.
9. Attend health and safety committee meetings and other relevant health and safety groups and provide guidance and advice where required.
10. Review the performance of health and safety within the Council as a whole, in conjunction with the Executive Management Team.
11. Provide a report to the Executive Management Team on a regular basis which details health and safety performance and update the Executive Director with health and safety responsibilities on all significant health and safety matters.
12. Ensure there is a continual improvement programme for effective health and safety management.
13. Provide a useful and relevant information service, with documents to assist others with their duties and ensure information is updated on a regular basis.
14. Communicate with and provide support, direction and guidance to Health and Safety Designated Officers and ensure they provide support on health and safety matters to duty holders within their area of remit in accordance with their responsibilities.

15. Support duty holders with enforcement agency requests for information, visits and inspections and if required, be the primary point of communication with relevant enforcement agencies.
16. Set a personal example at all times with respect to health and safety.

4.8 Designated Officers for Health and Safety

1. Support other duty holders within their areas of remit to fulfil their health and safety responsibilities.
2. Read, understand and implement requirements of the health and safety policy and health and safety management system.
3. Be the initial point of contact for health and safety guidance to colleagues and managers in their service area and refer to the Corporate Health and Safety Officer for advice and guidance as appropriate.
4. Support and promote health and safety continuous improvement programmes and regularly communicate with employees on health and safety issues, encouraging suggestions for improvement from colleagues and encourage them to report any health and safety concerns.
5. Attend all health and safety committee meetings or ensure that a suitable deputy attends if unavailable and prepare a report as required.
6. Support other duty holders ensuring that all employees within their responsibility have appropriate information, instruction and training that follows the health and safety training matrix and is in line with legislation.
7. Carry out health and safety review and monitoring as agreed with the Corporate Health and Safety Officer and ensure regular health and safety audits and inspections are carried out and outcomes of these are completed within the agreed timescales.
8. Set a personal example at all times and act as an ambassador with respect to health and safety.

Managers, at all levels, are responsible for the health and safety of their team - this cannot be delegated. However the Designated Officers can support and assist Managers with meeting their obligations.

4.9 Employees

1. Support other duty holders to fulfil their health and safety responsibilities.
2. Read, understand and comply with the requirements of the health and safety policy and health and safety management system.
3. Take reasonable care of the health and safety of themselves and others who may be affected by their acts and or omissions.
4. Work safely at all times, in accordance with the information, instruction, training, risk assessments and method statements provided.
5. Use the correct plant, vehicles, equipment and materials for tasks and keep them in good condition and never use anything for which it is not intended or they are not trained or competent to use.
6. Comply with all safety control measures appropriately, including any personal protective equipment issued and never intentionally or recklessly interfere with or misuse anything provided in the interest of health and safety.
7. Attend and participate in all training provided in the interest of health and safety.
8. Report immediately to their Manager or Supervisor any accidents, incidents, verbal abuse, near misses, occupational diseases and health and safety concerns, including defects to personal protective equipment, plant, vehicle, equipment and material, and any hazards or risks believed to be inadequately controlled.
9. Set a personal example at all times with respect to health and safety.
