

Motion referred from Council: Waste and Recycling Services in Highwoods

The motion below was submitted to the Council meeting on 1 December 2022. As the subject matter relates to an executive function, on being proposed the motion stood referred direct to Cabinet.

Waste and Recycling Services in Highwoods

Proposer: Councillor Law

This Council notes:

Highwoods residents have not been formally consulted by the Council on how their waste and recycling is collected since 2016.

Residents have been frustrated by previous local surveys that have not provided an online option to respond.

Highwoods residents deserve to have clean and tidy streets.

Simpler and uniform collection services deliver better value for residents and local council taxpayers, improve recycling rates and reduce waste sent to landfill

This Council resolves:

To give Highwoods residents the option to make their views known on how their waste and recycling collections are delivered in the future.
