Customer Service	The Contact and Support team in Customer were awarded the Customer Service Excellence
Excellence standard	standard for the second year in a row, following a rigorous assessment day.
	Customer Service Excellence is a government-backed industry standard that tests in depth those
	areas that research has shown are a priority to customers, with particular focus on delivery,
	timeliness, information, professionalism and staff attitude. Achieving the standard gives us formal
	recognition of our commitment to, and delivery of, customer service. This helps confirm to our
	residents, current and potential customers and staff both the quality of the service and the support
	they will receive should they contact Colchester Borough Council. January 2020
Microsoft Dynamics-CBC	Microsoft has published a case study about the Council on their "customer stories" website. The
as a case study	piece features the ground-breaking work being done by the Council's Dynamics 365 development
	team and colleagues in ICT with SharePoint, and Power Apps.
	Typically, application development like this in local authorities is carried out by external partners and
	contractors. The Council is proud that Microsoft has recognised the amazing work that our teams
	have done - all in-house! January 2020
Tendring Stars!	Our Digital Access Team won the Community Impact Award at the fifth Tendring Stars! Awards.

LGC awards	The Council and its subsidiary commercial company Colchester Amphora Trading have been
	shortlisted in in three categories: Driving Growth; Entrepreneurial Council, and Digital Impact.
	The Driving Growth entry highlights the Council's key role, alongside its wholly-owned
	commercial companies Colchester Amphora Trading Ltd (CATL), Colchester Amphora
	Energy Ltd (CAEL) and Colchester Amphora Homes Ltd (CAHL), in helping to create strong
	foundations to boost economic development and prosperity in the borough.
	The Entrepreneurial Council shortlisting showcases the work of the Council's wholly-owned
	commercial companies CATL, CAEL and CAHL since their formation in 2018.
	Colchester Amphora Trading's entry in the Digital Impact category follows its work to deliver
	the new ultrafast broadband network currently being rolled out to businesses and
	homeowners in the town centre.
	The LGC awards are dubbed the 'biggest celebration of excellence in local government', and this
	year's competition saw a record number of entries. November 2019 (award ceremony was due
	March 2020, but postponed indefinitely due to COVID-19).
Institute of Revenues	The Council was shortlisted with three other local authorities as finalists in the 'Benefits and Welfare
Rating and Valuation	Reform Team of the Year' and 'Most Improved Team of the Year' – after impressing judges with the
<u>Awards</u>	team's high standards of service and strong focus on customer service. October 2019.
Friends of the Earth	Colchester has been ranked joint top performer in the Eastern Region and equal third most climate-
	friendly area in England and Wales, according to Friends of the Earth who assessed councils in
	different categories including renewable energy, public transport, lift-sharing, energy efficiency at
D.C F	home, waste recycling, and tree cover. October 2019.
Defence Employer	The Council has achieved a Gold award from the Ministry of Defence's Employer Recognition
Recognition Scheme	Scheme. This scheme recognises the organisations which go the extra mile to demonstrate their commitment to aiding and employing members of the military community. It is the first time the
	Council has received the Gold Award, having previously received the Silver and Bronze accolade.
	Council has received the Gold Award, having previously received the Sliver and Bronze accolade.
	The Council aims to maintain and develop this work and is pleased to set an example to others. We
	are actively working to raise awareness of the Armed Forces Covenant and encouraging other
	businesses and organisations in the area to also be Forces Friendly employers. August 2019.

Other sources of performance data

Datashare – a wide range of Council performance data is available 24/7 via the online Datashare tool on the Council's website here. Categories include spending, business rates, democracy, housing, land, parking, planning, licensing, recycling and waste.

Annual reports – the Council produces annual reports on its performance in various areas. These are brought into one place on the Council's website here for ease of reference, and to make it easier for the public to find which annual reports are available.

<u>Single Data List</u> -this is a list of all the datasets that local government must submit to central government. The list is reviewed and updated annually. Local authorities are not obliged to provide any data which is not on the list without extra funding.
