To whom it may concern:-
Re - application for sale of alcoholic drinks
outside the building of Dabchicks Sailing Club,
Coast Road, West Mersea, on the concrete area
~ variation of a club premises certificate.

As a long-standing member of Dabchicks Sailing Club, I write in support of the above application, which is, I understand, to facilitate the purchase of such drinks by club members who cannot (through disablement) or wish not (compromised health conditions) to enter the club buildings including the upstairs bar area.

Yours faithfully
