3. Performance Summary

- Progress towards achieving our overall set of organisational performance measures shows that 10 (71%) of our measures are on track to be achieved (or 'Green'), 4 (29%) are not meeting expectations to date but with improvement likely ('Amber'), and there are none currently not meeting expectations and unlikely to do so by the year-end ('Red').
- The actions within our Strategic Plan Action Plan show that there is a considerable amount of positive activity being undertaken across the Council and with our partners to achieve our Strategic Priorities.
- The Council has also received a number of awards and accreditations.

The report's contents do not have any direct implications with regard to consultation. However, the Strategic Plan and priorities were agreed following public consultation.

6. Publicity considerations

The performance report contains key measures for our key performance indicators and our Strategic Plan Action Plan. 7. Financial implications

The financial implications of the action plans to deliver the indicators form part of the budget setting process.

8. Equality, Diversity and Human Rights implications

Progress and improvement of these and many of the actions within the Strategic Plan Action Plan support our aims of improving both services and the lives of everyone in the borough.
