

Colchester City Council Strategic Plan 2023 to 2026

The City of Colchester deserves the very best this Council can do and deliver. In high quality services, in ambition and vision and for the value we can add, in our own right, and by working with others. With Essex County Council, and Government, at every level and with partners, including the University of Essex, the NHS, and our invaluable voluntary sector.

Together we must respond to the challenges of our times, alive to what matters most to the people of Colchester. From our environment, and quality of life, to the vibrancy of our city centre. Valuing as we do the rich and distinctive qualities of rural and city life, our many communities and identities and our culture and heritage.

Our new Strategic Plan continues to provide an overarching framework, sense of direction and the key outcomes we will address, deliver or influence in the coming years. To be supported by a more detailed Delivery Plan, updated as need, to ensure resources match ambitions and enable promises made are kept.

Central to all we do will be the discipline and professionalism we can apply, with our partners. To ensure in the most challenging times for our country, as well as our city, that our finances are managed well, that we do all we can with and through others. That our sense of optimism, and ambition show in all we do, to make life better. As Councillors, officers and full Council, for all those that live, and work or visit the great City of Colchester.
