In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued "Statement of responsibilities of auditors and audited bodies 2015-16". It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The 'Terms of Appointment from 1 April 2015' issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Audit Letter is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

Executive Summary

We are required to issue an annual audit letter to Colchester Borough Council (the Council) following completion of our audit procedures for the year ended 31 March 2016.

Below are the results and conclusions on the significant areas of the audit process.

Area of Work	Conclusion
Opinion on the Council's Financial statements	Unqualified – the financial statements give a true and fair view of the financial position of the Council as at 31 March 2016 and of its expenditure and income for the year then ended
 Consistency of other information published with the financial statements 	Other information published with the financial statements was consistent with the Annual Accounts
Concluding on the Council's arrangements for securing economy, efficiency and effectiveness	We concluded that you have put in place proper arrangements to secure value for money in your use of resources

Area of Work	Conclusion
Reports by exception:	
 Consistency of Governance Statement 	The Governance Statement was consistent with our understanding of the Council
► Public interest report	We had no matters to report in the public interest.
 Written recommendations to the Council, which should be copied to the Secretary of State 	We had no matters to report.
 Other actions taken in relation to our responsibilities under the Local Audit and Accountability Act 2014 	We had no matters to report.

Area of Work	Conclusion
Reporting to the National Audit Office (NAO) on our review of the Council's Whole of Government Accounts return (WGA).	The Council is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

As a result of the above we have also:

Area of Work	Conclusion
Issued a report to those charged with governance of the Council communicating significant findings resulting from our audit.	Our Audit Results Report was issued on 8 July 2016
Issued a certificate that we have completed the audit in accordance with the requirements of the Local Audit and Accountability Act 2014 and the National Audit Office's 2015 Code of Audit Practice.	Our certificate was issued on 27 July 2016

In December 2016 we will also issue a report to those charged with governance of the Council summarising the certification work we have undertaken.

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

Kevin Suter

Executive Director For and on behalf of Ernst & Young LLP

Purpose

The Purpose of this Letter

The purpose of this annual audit letter is to communicate to Members and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to the attention of the Council.

We have already reported the detailed findings from our audit work in our 2015/16 Audit Results Report to the 26 July 2016 Governance Committee, representing those charged with governance. We do not repeat those detailed findings in this letter. The matters reported here are the most significant for the Council.

Responsibilities

Responsibilities of the Appointed Auditor

Our 2015/16 audit work has been undertaken in accordance with the Audit Plan that we issued on 10 June 2016 and is conducted in accordance with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office.

As auditors we are responsible for:

- ► Expressing an opinion:
 - On the 2015/16 financial statements; and
 - ▶ On the consistency of other information published with the financial statements.
- Forming a conclusion on the arrangements the Council has to secure economy, efficiency and effectiveness in its use of resources.
- Reporting by exception:
 - ▶ If the annual governance statement is misleading or not consistent with our understanding of the Council;
 - ► Any significant matters that are in the public interest;
 - ▶ Any written recommendations to the Council, which should be copied to the Secretary of State; and
 - ▶ If we have discharged our duties and responsibilities as established by thy Local Audit and Accountability Act 2014 and Code of Audit Practice.

Alongside our work on the financial statements, we also review and report to the National Audit Office (NAO) on you Whole of Government Accounts return. The Council is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the return.

Responsibilities of the Council

The Council is responsible for preparing and publishing its statement of accounts accompanied by an Annual Governance Statement. In the AGS, the Council reports publicly each year on how far it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in year, and any changes planned in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Financial Statement Audit

Key Issues

The Council's Statement of Accounts is an important tool for the Council to show how it has used public money and how it can demonstrate its financial management and financial health.

We audited the Council's Statement of Accounts in line with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office and issued an unqualified audit report on 27 July 2016.

Our detailed findings were reported to the 26 July 2016 Governance Committee.

The key issues identified as part of our audit were as follows:

Significant Risk

Management override of controls

A risk present on all audits is that management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly, and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

Auditing standards require us to respond to this risk by testing the appropriateness of journals, testing accounting estimates for possible management bias and obtaining an understanding of the business rationale for any significant unusual transactions.

Conclusion

We obtained a full list of journals posted to the general ledger during the year, and analysed these journals using criteria we set to identify any unusual journal types or amounts. We then tested a sample of journals that met our criteria and tested these to supporting documentation.

We considered the following accounting estimates on property, plant and equipment, and pensions liabilities to be the most significant in your accounts. We considered the estimates and the key judgements made to be reasonable.

We did not identify any material weaknesses in controls or evidence of material management override.

We did not identify any instances of inappropriate judgements being applied.

We did not identify any other transactions during our audit which appeared unusual or outside the Council's normal course of business

Revenue and expenditure recognition

Auditing standards also required us to presume that there is a risk that revenue and expenditure may be misstated

Our testing has not revealed any material misstatements with respect to revenue and expenditure recognition.

due to improper recognition or manipulation.

We respond to this risk by reviewing and testing material revenue and expenditure streams and revenue cut-off at the year end.

For local authorities the potential for the incorrect classification of revenue spend as capital is a particular area where there is a risk of management override. We therefore review capital expenditure on property, plant and equipment to ensure it meets the relevant accounting requirements to be capitalised.

Overall our audit work did not identify any issues or unusual transactions which indicated that there had been any misreporting of the Council's financial position.

Our testing of income and expenditure found that it was appropriately classified, and our cut-off testing established it was recorded in the correct year.

Our testing did not identify any expenditure which had been inappropriately capitalised.

Other Key Findings	Conclusion
There were significant trends in national appeals that may have impacted on the Council's business rates appeals provision.	We reviewed the methodology underpinning the Council's business rate appeals provision, and how it had factored in national trends such as appeals for GP surgeries.
	We judged the Council had made reasonable assumptions, supported by appropriate levels of evidence. There were no concerns reported.

Value for Money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- Take informed decisions;
- · Deploy resources in a sustainable manner; and
- · Work with partners and other third parties.

We issued an unqualified value for money conclusion on 27 July 2016.

Our audit identified a significant risk to sustainable resource deployment for which, on the basis of our work performed, we concluded that adequate arrangements were in place. Our key findings are set out below.

Key Findings

In 2015/16 the Council continued its track record of achieving its annual budget, delivering a surplus of £0.8m, including approximately £2.2m of savings and additional income. The general fund balance stood at £10.3m as at 31 March 2016,

We reviewed the Council's 2016/17 budget and the medium term forecast, assessing the extent of the savings plans in place. This took into account the Council's historic record.

The 2016/17 budget is balanced, through the use of efficiencies and income plans. Although it was still relatively early in the financial year, we assessed these as reasonable taking into account the Council's track record of delivering savings over the recent financial periods. While incrementally savings can become harder to achieve over time, the Council's performance in delivering its plans gives confidence that it can continue to do so.

We also reviewed the key assumptions in the budget and MTFF, which adequately took into account the economic environment at that time for business rate projections, and the forecast for reduced central government funding and the potential four-year settlement.

The cumulative budget gap, taking into account the 2015/16 outturn, is now forecast at £2.8m to 2019/20. Compared to a gross expenditure of approximately £135m per annum, we judge this to be a manageable budget gap.

Other Reporting Issues

Whole of Government Accounts

The Council is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

Annual Governance Statement

We are required to consider the completeness of disclosures in the Council's annual governance statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it is misleading.

We completed this work and did not identify any areas of concern.

Report in the Public Interest

We have a duty under the Local Audit and Accountability Act 2014 to consider whether, in the public interest, to report on any matter that comes to our attention in the course of the audit in order for it to be considered by the Council or brought to the attention of the public.

We did not identify any issues which required us to issue a report in the public interest.

Written Recommendations

We have a duty under the Local Audit and Accountability Act 2014 to designate any audit recommendation as one that requires the Council to consider it at a public meeting and to decide what action to take in response.

We did not identify any issues which required us to issue a written recommendation.

Objections Received

We did not receive any objections to the 2015/16 financial statements from member of the public.

Other Powers and Duties

We identified no issues during our audit that required us to use our additional powers under the Local Audit and Accountability Act 2014.

Independence

We communicated our assessment of independence in our Audit Results Report to the Governance Committee on 26 July 2016. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning regulatory and professional requirements.

Control Themes and Observations

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

Focused on your future

Area Issue **Impact** Many of the issues and challenges that face the UK EU referendum Following the majority vote to end the UK's membership of the public sector will continue to exist, not least because European Union (EU) in the EU Referendum held on 23 June 2016 continued pressure on public finances will need there is a heightened level of volatility in the financial markets and responding to. Additionally it may well be that the increased macroeconomic uncertainty in the UK. All three major challenges are increased if the expected economic rating agencies (S&P, Fitch and Moody's) took action on the UK impacts of the referendum and loss of EU grants Sovereign credit rating and, following the rating action on the UK outweigh the benefits of not having to contribute to Government. For entities in the public sector, there is likely to be an the EU and require even more innovative solutions. impact on investment property valuations if confidence in the wider UK property market falls; and the valuation of defined benefit We are committed to supporting our clients through pension obligations may also be affected.
