## 1. Executive Summary

- 1.1 This report requests the Committee to review the Local Code of Corporate Governance for 2022/23. The Local Code of Corporate Governance is how the Council demonstrates that its structures comply with the recognised principles of good governance.
- 1.2 The report also recommends that Full Council includes the Code in its Policy Framework which comprises all of the Authority's key policies.

## 2. Recommended Decision

- 2.1 To review the updated Local Code of Corporate Governance for 2022/23.
- 2.2 To recommend to Full Council that it be approved for inclusion in the Council's Policy Framework.

## 3. Background

- 3.1 In 2007 CIPFA (The Chartered Institute of Public Finance and Accountancy) and SOLACE (The Society of Local Authority Chief Executives) issued "Delivering Good Governance in Local Authorities", a guide to ensuring that local authorities are appropriately governed. This was updated in April 2016.
- 3.2 Governance is defined as the systems and processes, and cultures and values, by which an organisation is directed and controlled and through which it accounts to, engages with and, where appropriate, leads their communities. It is about how Colchester Borough Council ensures that it is doing the right things, in the right way, for the right people, in a timely, inclusive, open and accountable manner
- 3.3 The Council strives to meet the highest standards of corporate governance to help ensure it meets its objectives. Councillors and Officers are responsible for putting in place proper arrangements for the governance of the Council's affairs and the stewardship of the resources at its disposal.
- 3.4 Therefore a Local Code of Corporate Governance has been developed to ensure that the Council complies with the principles set out in the CIPFA/SOLACE guidance. The Local Code is reviewed annually, to ensure that the Council is still satisfying the principles, and

forms part of the Council's Policy Framework. The Committee last considered the Local Code at its meeting on 23 November 2021.

- 3.5 The guidance identifies six Core Principles against which local authorities should review their existing corporate governance arrangements and develop and maintain a local code of governance. The principles are;
- Focusing on the purpose of the Council and outcomes for the community and creating and implementing a vision for the local area;
  - Councillors and officers working together to achieve a common purpose with clearly defined functions and roles;
  - Promoting values for the authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour;
  - Taking informed and transparent decisions which are subject to effective scrutiny and managing risk;
  - Developing the capacity and capability of members and officers to be effective; and
  - Engaging with local people and other stakeholders to ensure robust public accountability.
- 3.6 The six core principles each have a number of supporting principles, which in turn have a range of specific requirements that apply across the range of Council business.
- 3.7 The Local Code, and the Council's compliance with the principles, have been reviewed, and attached at Appendix 1 is the updated Local Code of Corporate Governance for 2022/23. This sets out the six principles and elaborates on how the Council is meeting them, what source documents or processes evidence this and in addition highlights any further or ongoing work. This in turn links into the Council's Annual Governance Statement.
- 3.8 The Local Code has been updated to reflect the delivery of the strategic plan 2020-23 and Cabinet's vision and priorities, along with details of the peer challenge, the People Strategy, apprenticeship programme for staff, the creation of a central site for council data and provision of cost of living resources. Details of the newly created staff engagement group, 'Speak up Now', have also been provided. Otherwise, there have been no significant changes to the Local Code following the review, and it is considered still fit for purpose.

#### **4. Strategic Plan References**

- 4.1 The manner in which the Council governs its business is an underpinning mechanism in the Council's Strategic Plan priorities to set out the direction and future potential for our Borough.

#### **5. Publicity Considerations**

- 5.1 The Local Code of Corporate Governance will be published on Corporate Governance section of the Council's website.

#### **6. Financial, Equality, Diversity and Human Rights, Consultation, Health, Wellbeing and Community Safety, Health and Safety, Risk Management and Environmental and Sustainability Implications**
