

Colchester City Council

Local Plan Committee – 11.12.2023

Amendment Sheet

9. Adoption of Active Travel and Climate Change Supplementary Planning Documents

Addendum for Agenda Item 9 - Adoption of Active Travel and Climate Change Supplementary Planning Documents

(Appendix A – Active Travel SPD, p.4 and p.5)

A minor modification, that should have been included to the text in the introduction of the Active Travel SPD to reflect that consultation has been undertaken and that this is the final document, is not included in the version shown in Appendix A. If members approve the adoption of the Active Travel SPD, the amended text set out below will be included in the Final Active Travel SPD, before publication:

Current text: 'The Council is consulting on this document in accordance with regulations and the Council's Statement of Community Involvement. All responses received will be considered in preparing the final adopted version of this SPD. This SPD will form a material consideration in the determination of all planning applications for development including applications for renewal of consents.'

Amended text: 'The Council ~~has is consulting~~ consulted on this document in accordance with regulations and the Council's Statement of Community Involvement. All responses received ~~will be~~ have been considered in preparing the final adopted version of this SPD. This SPD will form a material consideration in the determination of all planning applications for development including applications for renewal of consents.'
