

Governance and Audit Committee

Item
14

19 January 2021

Report of	Assistant Director of Corporate and Improvement	Author	Lauren Warsap
Title	Annual Review of Business Continuity		 282372
Wards affected	Not applicable		

1. Executive Summary

- 1.1 Colchester Borough Council provides a wide range of services to the local community. Any unexpected interruption to those services can have a negative impact on both the community and the authority. As such, the Council has established a Business Continuity process to minimise, as far as possible, the likelihood of an incident occurring and the potential impact if it does happen.
- 1.2 This report provides Members with an overview of the Council's Business Continuity activity for the period from 01 October 2019 to 30 September 2020.

2. Recommended Decision

- 2.1 Consider and comment on the business continuity work undertaken during the period.
- 2.2 Endorse the Business Continuity Strategy for 2021.

3. Reason for Recommended Decision

- 3.1 The Risk Management Strategy, which forms part of the policy framework, identifies the Governance & Audit Committee as being responsible for reviewing the effectiveness of the risk management process and reporting critical items to Cabinet as necessary. Business continuity is an integral part of the risk management process and it is appropriate that a detailed progress report is provided to this Committee.

4. Alternative Options

- 4.1 There are no alternative options to consider

5. Background Information

- 5.1 Whilst Business Continuity primarily relates to the delivery of the Council's own services, it sits alongside the Council's responsibilities for Emergency Planning, where the Council is required to assist the emergency services in dealing with events in the borough (such as flooding) as set out in the Civil Contingencies Act 2004. Under the act there are two duties relating specifically to business continuity:
 1. To be able to carry on providing its own services in the event of a disruption
 2. To provide advice and guidance relating to business continuity to local businesses and voluntary organisations.

- 5.2 The responsibility for ensuring that the Council has effective business continuity plans rests with the Chief Operating Officer and the function is delivered by the Corporate Governance Team. The role is to provide advice and guidance to services including the co-ordination of individual service plans as well as the overall Council plan. Issue specific plans, such as responding to a flu pandemic, are also required.
- 5.3 Business continuity issues are primarily reported to the 'First Call Officer' group, this consists of the senior management team and other key staff. The primary role of this group is to provide the strategic management of any emergency – either internal or external. The group meets every two months to review plans and consider emergency planning and business continuity issues.

6. Summary of Work Undertaken

- 6.1 The primary focus for 2020 has been dealing with the COVID19 Pandemic and preparations for the United Kingdom's exit from the European Union. This has required a significant input from the Resilience Officer to ensure that CBC participates in tactical coordination groups (TCG's) and provide support for the First Call Officer attending the Strategic Coordinating Group (SCG's). The RO has also been providing support to those service areas who were significantly affected by the pandemic.
- 6.2 The Council's response to the pandemic required the implementation of parts of both the corporate and service business continuity plans, responding to rapid changes in resources and service delivery requirements. After the initial response phase, the plans were assessed to ensure that the assumptions that had been made previously, such as critical trigger points were correct. No significant changes were required to the plans but all of them were updated to reflect service changes, responsibilities and emergency contact details.
- 6.3 Despite the unforeseen pressure from COVID19, some Emergency Planning training has still taken place virtually. There has been a large EU Exit exercise conducted by the Essex Resilience Forum which CBC staff attended and a virtual second wave COVID19 exercise.
- 6.4 CBC Officers are also providing administration support to the Essex Resilience Forum for the Multi agency Information Cell (MAIC). This was initially set up to deal with EU Exit, but it is now also used for the COVID19 Pandemic and it is still live now.
- 6.5 Despite the on-going pandemic we continue to work collaboratively with the Essex Resilience Forum (ERF) to produce generic plans that can be used across the whole of the County.

7.0 Business Continuity Strategy for 2021

- 7.1 The Business Continuity Strategy was agreed for the first time in 2009. A requirement within the strategy, and also of the regular internal audit assessment, is that it is reviewed annually to ensure that it is still appropriate to the Council's needs.
- 7.2 Therefore a review has been undertaken and the strategy has been updated for 2021. The revised strategy is attached at appendix A. It is considered that the strategy continues to meet the needs of the organisation and therefore there are no changes to the strategy or the business continuity process.

8. Equality, Diversity and Human Rights implications

8.1 There are no equality, diversity or Human Rights implications as a result of this report.

9. Strategic Plan References

9.1 The ability of the Council to carry on providing critical services, even when dealing with a major disruption, is fundamental to ensuring the achievement of the strategic plan objectives.

10. Risk Management Implications

10.1 The failure to adequately manage a business interruption may have an effect on the ability of the Council to achieve its objectives and operate effectively.

11. Environmental and Sustainability Implications

11.1 There are no environmental or sustainability implications as a result of this report.

12. Other Standard References

12.1 There are no particular references to consultation or publicity considerations or financial; community safety or health and safety implications.
