

4 July 2023

Dear Sarah

Please consider the following with evidence of anti social behaviour with regard to the increase in licensing hours requested by Kando Convenience, High Street Wivenhoe.

Damage to table tennis table on KGV

Rubbish left behind regularly of an evening:

Broken glass and fire damage:

I hope that you will take these into consideration when deciding on the increased hours request. I am not willing to take photos of actual people / youngsters misbehaving as I feel too vulnerable and live close to the area.

Yours sincerely

Dilly Meyer
On behalf of Wivenhoe Society.

28 July 2023 – Further information to support objection

Dear Sarah

Thank you for your email. Here are some more recent photographs of misuse following alcohol consumption on public land.

I hope you will accept these as well as the previously submitted statement. Things have not changed and Wivenhoe Society wish to object to the extension to any license.

Many thanks

Dilly Meyer
Acting Chair Wivenhoe Society.
