The resolution made by the Crime and Disorder Committee at its meeting of 19 September 2023 is attached below for Cabinet's information.

*RESOLVED that the CRIME AND DISORDER COMMITTEE hold an additional meeting, within the next six months, to scrutinise the Strategic Assessment document of the Safer Colchester Partnership for the coming year, and to receive benchmarking data against a wider selection of different geographic areas, and an explanation of the divergence of domestic abuse statistics compiled by different partner organisations.*

*RECOMMENDED to the SAFER COLCHESTER PARTNERSHIP that: -*

- a) Enhanced efforts be made by all relevant Safer Colchester Partnership partners to enforce the City Centre and vehicular Public Spaces Protection Orders [PSPOs];*
  
- b) Whilst the Crime and Disorder Committee concurs that the Safer Colchester Partnership is dealing well with its priorities, a clearer place within its priorities should be found for addressing fraud, knife crime, shoplifting and other crimes against businesses.*
