Report of	Chief Operating Officer	Author	Owen Howell ☎ 282518
Title	Work Programme 2024-25		
Wards affected	Not applicable		

1. Executive Summary

- 1.1 The following summary is taken from the revised (April 2024) Statutory Guidance for Overview and Scrutiny Committees:
- 1.2 *Overview and scrutiny committees were introduced in 2000 as part of new executive governance arrangements to ensure that members of a local authority who were not part of the executive could hold the executive to account for the decisions and actions that affect their communities.*
- 1.3 *Overview and scrutiny committees have statutory powers to scrutinise decisions the executive is planning to take, those it plans to implement, and those that have already been taken/implemented. Recommendations following scrutiny enable improvements to be made to policies and how they are implemented. Overview and scrutiny committees can also play a valuable role in developing policy.*
- 1.4 *Effective overview and scrutiny should:*
- *provide constructive ‘critical friend’ challenge.*
 - *amplify the voices and concerns of the public.*
 - *be led by independent people who take responsibility for their role.*
 - *drive improvement in public services and strategic decision-making.*

Authorities should take steps to ensure scrutiny has a clear role and focus within the organisation, i.e. a niche within which it can clearly add value. Therefore, prioritisation is necessary to ensure the scrutiny function concentrates on delivering work that is of genuine value and relevance to the work of the wider authority – this is one of the most challenging parts of scrutiny, and a critical element to get right if it is to be recognised as a strategic function of the authority.

- 1.5 To achieve its aims the workplan of scrutiny committee is important. The guidance also tells us that *we need to take steps to ensure scrutiny has a clear role and focus i.e. a niche within which it can clearly add value. Therefore, prioritisation is necessary to ensure the scrutiny function concentrates on delivering work that is of genuine value and relevance to the work of the wider authority – this is one of the most challenging parts of scrutiny, and a critical element to get right if it is to be recognised as a strategic function of the authority.*

- 1.6 With that in mind this report invites the panel to consider both the current Work Programme for 2024-2025 for the Scrutiny Panel and any changes or additions to that programme.

2. Action Required

- 2.1 The Panel is asked to consider and approve the contents of the Work Programme for 2024-2025, or request amendments, additions and/or deletions.
- 2.2 The Panel is asked to identify any additional specific issues, matters or areas of Council operations which it wishes to scrutinise during the 2024-25 municipal year, and to provisionally schedule these items, subject to feedback from relevant officers on any issues which may affect reporting timescales.

3. Background Information

- 3.1 The Panel's work programme evolves as the Municipal Year progresses and items of business are commenced and concluded. At each meeting the opportunity is taken for the work programme to be reviewed and, if necessary, amended according to current circumstances. The draft work programme for 2024-25 is appended to this report. This contains the items which are reviewed each year by the Panel.
- 3.2 The Forward Plan of Key Decisions is included as part of the work programme for the Scrutiny Panel, and this is included an **Appendix A**.

4. Standard References

- 4.1 There are no particular references to publicity or consultation considerations, or financial, equality, diversity, human rights, community safety, health and safety, environmental and sustainability or risk management implications.

5. Strategic Plan References

- 5.1 Scrutiny and challenge is integral to the delivery of the Strategic Plan 2023-2026 priorities and direction for the area as set out under the strategic themes of:
- Respond to the climate emergency;
 - Deliver modern services for a modern city;
 - Improve health, wellbeing and happiness;
 - Deliver homes for those most in need;
 - Grow our economy so everyone benefits;
 - Celebrate our City, heritage and culture.
- 5.2 The Council recognises that effective local government relies on establishing and maintaining the public's confidence, and that setting high standards of self-governance provides a clear and demonstrable lead. Effective governance underpins the implementation and application of all aspects of the Council's work.
