Strategic Overview and Scrutiny Panel

Terms of Reference (but not limited to)

1. To review corporate strategies and strategic partnerships to ensure the actions of the Cabinet and Portfolio Holders accord with the policies and budget of the Council.
2. To monitor and scrutinise the financial performance of the Council, and make recommendations to the Cabinet particularly in relation to annual revenue and capital guidelines, bids and submissions.
3. To link the Council's spending proposals to the policy priorities and review progress towards achieving those priorities against the Strategic / Action Plans.
4. To scrutinise executive decisions made by Cabinet or Cabinet Member, the East Essex Area Waste Management Joint Committee, the Colchester and Ipswich Joint Museums Committee and the North Essex Parking Partnership (decisions relating to off-street parking only) which have been made but not implemented, and referred to the Panel through call-in.
5. To monitor the Council's operational performance in relation to the Strategic Plan and Performance Indicators, and the Cabinet's performance in relation to the Forward Plan.
7. The panel will be the appropriate route for any member to refer a 'local government matter' in the context of Councillor Call for Action.

Process for Councillor Call for Action

Councillors have the ability to call for debate and discussion a topic of neighbourhood concern, limited to issues affecting a single ward, in an attempt to bring about specific solutions for local problems, without going through the Council's executive decision making process.

Members may not call for debate matters relating to a planning or licensing decision, an individual complaint or where a right of recourse to a review or right of appeal is already provided for in law. Poor service performance or increased anti-social behaviour are examples of where a member may bring an action to the panel's attention.

The panel may reject a request as not within the guidance or where they consider the usual channels have not been exhausted, or accept that an investigation is the appropriate action.

The panel may conduct an investigation in the usual scrutiny manner and a report with recommendations will be compiled and brought to the Council or partners attention, with the Council or partners having a duty to respond. The panel will consider and publish the responses to their recommendations and feed back this information to the Councillor requesting the action.
