

# Planning Committee

Council Chamber, Town Hall  
19 May 2010 at 1.00pm

## **This committee deals with**

planning applications, planning enforcement, public rights of way and certain highway matters.

If you wish to come to the meeting please arrive in good time. Attendance between 12.30am and 12.45am will greatly assist in noting the names of persons intending to speak to enable the meeting to start promptly.

# Information for Members of the Public

## Access to information and meetings

You have the right to attend all meetings of the Council, its Committees and Cabinet. You also have the right to see the agenda, which is usually published 5 working days before the meeting, and minutes once they are published. Dates of the meetings are available at [www.colchester.gov.uk](http://www.colchester.gov.uk) or from Democratic Services.

## Have Your Say!

The Council values contributions from members of the public. Under the Council's Have Your Say! policy you can ask questions or express a view to meetings, with the exception of Standards Committee meetings. If you wish to speak at a meeting or wish to find out more, please pick up the leaflet called "Have Your Say" at Council offices and at [www.colchester.gov.uk](http://www.colchester.gov.uk)

## Private Sessions

Occasionally meetings will need to discuss issues in private. This can only happen on a limited range of issues, which are set by law. When a committee does so, you will be asked to leave the meeting.

## Mobile phones, pagers, cameras, audio recorders

Please ensure that all mobile phones and pagers are turned off before the meeting begins and note that photography or audio recording is not permitted.

## Access

There is wheelchair access to the Town Hall from St Runwald Street. There is an induction loop in all the meeting rooms. If you need help with reading or understanding this document please take it to Angel Court Council offices, High Street, Colchester or telephone (01206) 282222 or textphone 18001 followed by the full number that you wish to call and we will try to provide a reading service, translation or other formats you may need.

## Facilities

Toilets with lift access, if required, are located on each floor of the Town Hall. A vending machine selling hot and cold drinks is located on the first floor and ground floor.

## Evacuation Procedures

Evacuate the building using the nearest available exit. Make your way to the assembly area in the car park in St Runwald Street behind the Town Hall. Do not re-enter the building until the Town Hall staff advise you that it is safe to do so.

## **Material Planning Considerations**

The following are issues which the Planning Committee can take into consideration in reaching a decision:-

- planning policy such as local and structure plans, other local planning policies, government guidance, case law, previous decisions of the Council
- design, appearance and layout
- impact on visual or residential amenity including potential loss of daylight or sunlight or overshadowing, loss of privacy, noise disturbance, smell or nuisance
- impact on trees, listed buildings or a conservation area
- highway safety and traffic
- health and safety
- crime and fear of crime
- economic impact – job creation, employment market and prosperity

The following are **not** relevant planning issues and the Planning Committee cannot take these issues into account in reaching a decision:-

- land ownership issues including private property rights, boundary or access disputes, restrictive covenants, rights of way, ancient rights to light
- effects on property values
- loss of a private view
- identity of the applicant, their personality, or a developer's motives
- competition
- the possibility of a "better" site or "better" use
- anything covered by other types of legislation

## **Human Rights Implications**

All applications are considered against a background of the Human Rights Act 1998 and in accordance with Article 22(1) of the Town and Country Planning (General Development Procedure) (England) (Amendment) Order 2003 there is a requirement to give reasons for the grant of planning permission. Reasons always have to be given where planning permission is refused. These reasons are always set out on the decision notice. Unless any report specifically indicates otherwise all decisions of this Committee will accord with the requirements of the above Act and Order.

## **Community Safety Implications**

All applications are considered against a background of the implications of the Crime and Disorder Act 1998 and in particular Section 17. Where necessary, consultations have taken place with the Crime Prevention Officer and any comments received are referred to in the reports under the heading Consultations.

## **Colchester Borough Council Environmental Control**

### **Advisory Notes for the Control of Pollution during Construction & Demolition Works**

*The following information is intended as guidance for applicants/developers and construction firms. In order to minimise potential nuisance to nearby existing residents caused by construction and demolition works, Environmental Control recommends that the following guidelines are followed. Adherence to this advisory note will significantly reduce the likelihood of public complaint and potential enforcement action by Environmental Control.*

#### **Best Practice for Construction Sites**

Although the following notes are set out in the style of planning conditions, they are designed to represent the best practice techniques for the site. Therefore, failure to follow them may result in enforcement action under nuisance legislation (Environmental Protection Act 1990), or the imposition of controls on working hours (Control of Pollution Act 1974)

#### **Noise Control**

1. No vehicle connected with the works to arrive on site before 07:30 or leave after 19:00 (except in the case of emergency). Working hours to be restricted between 08:00 and 18:00 Monday to Saturday (finishing at 13:00 on Saturday) with no working of any kind permitted on Sundays or any Public/Bank Holiday days.
2. The selection and use of machinery to operate on site, and working practices to be adopted will, as a minimum requirement, be compliant with the standards laid out in British Standard 5228:1984.
3. Mobile plant to be resident on site during extended works shall be fitted with non-audible reversing alarms (subject to HSE agreement).
4. Prior to the commencement of any piling works which may be necessary, a full method statement shall be agreed in writing with the Planning Authority (in consultation with Environmental Control). This will contain a rationale for the piling method chosen and details of the techniques to be employed which minimise noise and vibration to nearby residents.

## **Emission Control**

1. All waste arising from the ground clearance and construction processes to be recycled or removed from the site subject to agreement with the Local Planning Authority and other relevant agencies.
2. No fires to be lit on site at any time.
3. On large scale construction sites, a wheel-wash facility shall be provided for the duration of the works to ensure levels of soil on roadways near the site are minimised.
4. All bulk carrying vehicles accessing the site shall be suitably sheeted to prevent nuisance from dust in transit.

## **Best Practice for Demolition Sites**

Prior to the commencement of any demolition works, the applicant (or their contractors) shall submit a full method statement to, and receive written approval from, the Planning & Protection Department. In addition to the guidance on working hours, plant specification, and emission controls given above, the following additional notes should be considered when drafting this document: -

### **Noise Control**

If there is a requirement to work outside of the recommended hours the applicant or contractor must submit a request in writing for approval by Planning & Protection prior to the commencement of works.

The use of barriers to mitigate the impact of noisy operations will be used where possible. This may include the retention of part(s) of the original buildings during the demolition process to act in this capacity.

### **Emission Control**

All waste arising from the demolition process to be recycled or removed from the site subject to agreement with the Local Planning Authority and other relevant agencies.
