## **Appendix E**

### **5. Background Information**

- 5.1 The Council has agreed a number of key performance areas which it uses as part of its Performance Management Framework to help monitor progress and improvement. This report provides an update of our indicators and a review of progress against our Strategic Plan Action.
- 5.2 At the half year point April - September 2018, the overall position was that 8 of our measures were achieved (or 'green'), 3 are considered 'at risk' of not meeting their target at year end (amber), and 1 did not meet the target in full ('red'). One of our measures have been adjusted due to legislative changes and therefore, has not been allocated a target.
- 5.3 The actions within our Strategic Plan Action Plan show that there is a considerable amount of positive activity being undertaken across the Council and with our partners to achieve our Strategic Priorities.
- 5.4 The Council has also received a number of awards and accreditations highlighted at the end of Appendix C.

### **6. Equality, Diversity and Human Rights implications**

- 6.1 Progress and improvement of these and many of the actions within the Strategic Plan Action Plan support our aims of improving both services and the lives of everyone in the borough. Where required, specific Equality Impact Assessments will exist for policies and activities rather than for individual performance indicators or actions. Progress on the Council's Equality Objectives are included within the Strategic Plan Action Plan Update.
